ARTICLE 16. MISCELLANEOUS BENEFITS

Section 1. Leave of Absence without Pay.

- a. Such leave may also be granted to attend an approved school with a course of study designed to increase an employee's usefulness in the job to which the employee is assigned upon return to service. Management shall make the final disposition of such request.
- b. Consistent with N.J.A.C. 4A:6-1.10, employees may be granted a personal leave of absence for up to six (6) months, at the sole discretion of the County Administrator, if the leave does not cause undue operational disruption. The leave must include the use of any accrued vacation, sick and compensation leave time, regardless of the length of leave requested. The portion of the leave that runs beyond the exhaustion of vacation, sick and compensation leave will be without pay of longevity credit. In exceptional circumstances, the County Administrator may extend a leave of absence for an additional six (6) months, if such extension is considered in the best interest of the County.
- c. Personal leaves are not granted for the purpose of seeking or accepting employment with another employer or for extended vacation time. Employees on personal leave of absence for more than two (2) weeks in any month will not receive holiday pay and will not accrue personal leave, sick leave or vacation time for that month. Health benefits may also be impacted. Refer to the County Health Benefits policy. A personal leave is granted with the understanding that the employee intends to return to work for the County. If the employee fails to return within five (5) business days after the expiration of leave, the employee shall be considered to have resigned.
- d. Qualifying employees shall be entitled to leave pursuant to the Federal Family Medical Leave Act and/or the New Jersey Family Leave Act in accordance with County policy.

Section 2. Work Related Illness or Injury.³

- a. Employees who suffer job related injuries and illnesses may be entitled to medical expenses, lost income and other compensation under the New Jersey Workers Compensation Act. The County covers workers compensation benefits through a self-insured plan. Any occupational injury or illness must be immediately reported to the supervisor or Department Head. All required medical treatment must be performed by a workers' compensation physician appointed by the County. Workers' Compensation is not a leave entitlement but only a wage replacement arrangement.

Payment for unauthorized medical treatment may not be covered pursuant to the Worker's Compensation Act.

No temporary Workers' Compensation benefits other than the payment of medical bills shall be paid until the employee has been disabled for a period of seven (7) calendar days from the work-related injury unless otherwise required by law.

³ The language in Article 16, Section 2 was amended to be consistent with the Employee Manual adopted by the Passaic County Board of County Commissioners via Resolution R-10-659. In the event a benefit in the Agreement is richer than what is set forth in the Employee Manual, that benefit shall stand.

While receiving workers' compensation benefits, the pension portion of an employee's benefits will still be paid by the County. If, however, an employee is receiving workers' compensation with pay, (which is defined as one hundred (100%) percent compensation of salary) the employee is responsible for all deductions including pension.

The County will not tolerate retaliation or discrimination against an individual because the individual has filed a claim for workers' compensation benefits. This prohibition includes denying or limiting any request for leave because an individual asserted a claim for workers' compensation benefits.

- b. Light Duty Policy. The County will endeavor to bring employees with temporary work-related injuries or illnesses back on the job as soon as possible. The County may recognize a special obligation arising out of the employment relationship and create a temporary light duty position for an employee when s/he has been injured while performing work for the Department and, as a consequence, is unable to perform his/her regular job duties.

The County will not treat an employee with a disability less favorably than an individual without a disability or screen out an individual on the basis of disability in granting such requests for light duty.

The County will grant such request, at its sole discretion, and on a case-by case basis in consideration of the medical report submitted by the workers' compensation physician, the recommendation of the insuring entity and Departmental staffing needs and requirements.

The County reserves the right to grant, refuse or terminate a light duty assignment at any time without cause unless it is in conflict with the mandates of the ADA, FMLA or NJFLA or other state or federal leave laws where applicable.

The employee and/or the Third Party Administrator (hereafter "TPA") are obligated to inform the County of the employee's medical progress and the County shall have the right to review same periodically.

Light duty assignments may be in any department and not just the employee's normal department.

Employees on light duty will receive their regular salaries. If light duty is approved, the employee or TPA must keep the County Administrator, Director of Personnel and Department Head informed of the medical progress. If at the end of light duty period the employee is not able to return to work without restrictions the employee should contact the Department of Personnel to discuss his or her options under state or federal law. This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy or other Federal or State law.

Section 3. Veterans Rights and Benefits.

- a. The seniority rights of all employees who are serving pursuant to an appropriate law now in force or to be enacted, shall be maintained during such period of military
