SAMHSA-THE SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION

The Substance Abuse and Mental Health Services Administration (SAMHSA) is the agency within the U.S. Department of Health and Human Services that leads public health efforts to advance the behavioral health of the nation. SAMHSA's mission is to reduce the impact of substance abuse and mental illness on America's communities.

The SAMSHSA website contains useful resources for those in need of information about substance use disorders, treatment, and services.

<https://store.samhsa.gov/issues-conditions-disorders>

This link will direct you to a library of resources about specific substance abuse and mental health conditions and diagnoses.

Passaic County Mental Health & Addiction Resource Guide:
www.passaiccountynj.org/mentalhealthandaddictionresources

The Passaic County Stigma-Free Communities Initiative is a county-wide program which aims to eradicate the stigma associated with mental illness and substance use disorders. We are dedicated to raising awareness of these illnesses by creating an environment where affected individuals are supported in their efforts to achieve wellness and recovery.
