and Urban Development**

October 15, 2020

You are invited to submit an application to the County of Passaic for Community Development Block Grant-CV2 (CDBG-CV2) funding. The application is due by November 20, 2020, 4:00 pm to the Passaic County Division of Economic Development, Department of Planning and Economic Development **via email only at [ecodev@passaiccountynj.org](mailto:ecodev@passaiccountynj.org)** to be eligible for funding consideration. There can be no exceptions to this deadline.

The County anticipates receiving approximately **\$2,287,345** from **CDBG-CV2** funding from **NJDCA**. CDBG-CV2 grant awards will be allocated to **municipalities and non-profit agencies** for projects implemented in the sixteen (16) municipalities of Passaic County (Bloomingdale, Clifton, Haledon, Hawthorne, Little Falls, North Haledon, Passaic, Paterson, Pompton Lakes, Prospect Park, Ringwood, Totowa, Wanaque, Wayne, West Milford and Woodland Park).

In making decisions for funding with this special CDBG-CV2 allocation, Passaic County will consider factors such as the eligibility and national objective and whether the project provides substantial community benefits **to prevent, prepare for, and respond to coronavirus**. **Projects must serve a majority of low- and moderate-income persons or address an urgent need. At least 70% of the County's allocation must be used for activities that benefit low and moderate income persons.** –Projects must be ready to implement immediately. Matching funds are not required.

Eligible sub-grantees may use the funds for building and improvements (public facilities); and public services that **prevent, prepare for, and respond to coronavirus**.

CDBG-CV2 funding was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, to respond to the growing effect of the current public health crisis. Funds have been allocated from the New Jersey Department of Community Affairs. All proposed projects must prevent, prepare for, and respond to coronavirus. A Quick Guide to CDBG-CV2 Eligible Activities to support Coronavirus and Other Infectious Disease Response, Revised April 6, 2020 is attached in the appendix for guidance. The attached guide provides examples of eligible CDBG-CV2 projects.

**CDBG-CV2 funds must be used in an eligible CDBG activity. Funds cannot be used to offset fundraising losses to your general fund.** Generally, rehabilitation of a facility is not eligible except as described in the attached HUD guidance.

Projects funded with CDBG-CV2 funds **must not duplicate funding** from other federal resources. A list of federal sources of funds is attached in the appendix for guidance. All sub-grantees will have to certify that there is no duplication and repay any funds for activities found to be duplicated.

**Quick Guide to CDBG Eligible Activities to Support Coronavirus and Other Infectious Disease Response**  
**REVISED April 6, 2020**

Grantees should coordinate with local health authorities before undertaking any activity to support state or local pandemic response. Grantees may use Community Development Block Grant (CDBG) funds for a range of eligible activities that prevent and respond to the spread of infectious diseases such as the coronavirus.

**Examples of Eligible Activities to Support Coronavirus and Other Infectious Disease Response**

<i>For more information, refer to applicable sections of the Housing and Community Development Act of 1974 (for State CDBG Grantees) and CDBG regulations (for Entitlement CDBG grantees).</i>	
<b>Buildings and Improvements, Including Public Facilities</b>	
Acquisition, construction, reconstruction, or installation of public works, facilities, and site or other improvements. <i>See section 105(a)(2) (42 U.S.C. 5305(a)(2)); 24 CFR 570.201(c).</i>	Construct a facility for testing, diagnosis, or treatment.
	Rehabilitate a community facility to establish an infectious disease treatment clinic.
	Acquire and rehabilitate, or construct, a group living facility that may be used to centralize patients undergoing treatment.
Rehabilitation of buildings and improvements (including interim assistance). <i>See section 105(a)(4) (42 U.S.C. 5305(a)(4)); 24 CFR 570.201(f); 570.202(b).</i>	Rehabilitate a commercial building or closed school building to establish an infectious disease treatment clinic, e.g., by replacing the HVAC system.
	Acquire, and quickly rehabilitate (if necessary) a motel or hotel building to expand capacity of hospitals to accommodate isolation of patients during recovery.
	Make interim improvements to private properties to enable an individual patient to remain quarantined on a temporary basis.
<b>Assistance to Businesses, including Special Economic Development Assistance</b>	
Provision of assistance to private, for-profit entities, when appropriate to carry out an economic development project. <i>See section 105(a)(17) (42 U.S.C. 5305(a)(17)); 24 CFR 570.203(b).</i>	Provide grants or loans to support new businesses or business expansion to create jobs and manufacture medical supplies necessary to respond to infectious disease.
	Avoid job loss caused by business closures related to social distancing by providing short-term working capital assistance to small businesses to enable retention of jobs held by low- and moderate-income persons.
Provision of assistance to microenterprises. <i>See section 105(a)(22) (42 U.S.C. 5305(a)(22)); 24 CFR 570.201(o).</i>	Provide technical assistance, grants, loans, and other financial assistance to establish, stabilize, and expand microenterprises that provide medical, food delivery, cleaning, and other services to support home health and quarantine.

<b>Provision of New or Quantifiably Increased Public Services</b>	
Following enactment of the CARES Act <sup>1</sup> , the public services cap <sup>2</sup> has no effect on CDBG-CV grants and no effect on FY 2019 and 2020 CDBG grant funds used for coronavirus efforts.  <i>See section 105(a)(8) (42 U.S.C. 5305(a)(8)); 24 CFR 570.201(e).</i>	Carry out job training to expand the pool of health care workers and technicians that are available to treat disease within a community.

<b>Planning, Capacity Building, and Technical Assistance</b>	
States only: planning grants and planning only grants.  <i>See section 105(a)(12).</i>	Grant funds to units of general local government may be used for planning activities in conjunction with an activity, they may also be used for planning only as an activity. These activities must meet or demonstrate that they would meet a national objective. These activities are subject to the State's 20 percent administration, planning and technical assistance cap.
States only: use a part of to support TA and capacity building.  <i>See section 106(d)(5) (42 U.S.C. 5306(d)(5)).</i>	Grant funds to units of general local government to hire technical assistance providers to deliver CDBG training to new subrecipients and local government departments that are administering CDBG funds for the first time to assist with infectious disease response. This activity is subject to the State's 3 percent administration, planning and technical assistance cap.
Entitlement only: data gathering, studies, analysis, and preparation of plans and the identification of actions that will implement such plans. <i>See 24 CFR 570.205.</i>	Gather data and develop non-project specific emergency infectious disease response plans.

**Planning Considerations**

Infectious disease response conditions rapidly evolve and may require changes to the planned use of funds:

- CDBG grantees must amend their Consolidated Annual Action Plan (Con Plan) when there is a change to the allocation priorities or method of distribution of funds; an addition of an activity not described in the plan; or a change to the purpose, scope, location, or beneficiaries of an activity (24 CFR 91.505).
- If the changes meet the criteria for a “substantial amendment” in the grantee’s citizen participation plan, the grantee must follow its citizen participation process for amendments (24 CFR 91.105 and 91.115).
- Under the CARES Act, CDBG grantees may amend citizen participation and Con Plans concurrently in order to establish and implement expedited procedures with a comment period of no less than 5-days.

**Resources**

The Department has technical assistance providers that may be available to assist grantees in their implementation of CDBG funds for activities to prevent or respond to the spread of infectious disease. Please contact your local CPD Field Office Director to request technical assistance from HUD staff or a TA provider.

<sup>1</sup> On March 27, 2020, President Trump approved the Coronavirus Aid, Relief, and Economic Security Act (Public Law 116-136) (CARES Act). The CARES Act makes available \$5 billion in CDBG coronavirus response (CDBG-CV) funds to prevent, prepare for, and respond to coronavirus.

<sup>2</sup> Section 105(a)(8) of the HCD Act caps public service activities at 15 percent of most CDBG grants. Some grantees have a different percentage cap.

## EXHIBIT “B” - National Objective Qualifiers

In order to be considered as benefiting a low or moderate-income person, an activity must fall into one of the categories below.

**Area Benefit:** Passaic County is an “exception level” community. Census areas with **42.76%** low- moderate income or above qualify for funding. (The exception level may be adjusted by HUD in 2020/2021 – we will notify all municipalities if that does occur). However, smaller areas may qualify based on an income survey. When surveys are needed, at least 51% of the residents within the targeted activity area must be low-moderate income persons. The activity may also be available to all persons in the area regardless of income.

**Limited Clientele:** To qualify under this subcategory, a limited clientele activity must fulfill one of the following tests.

- Clientele must be one of the following groups:
  - Abused children
  - Elderly persons
  - Battered spouses
  - Homeless persons
  - Adults meeting the US Census Bureau’s definition of severely disabled persons
  - Illiterate living with AIDS
  - Migrant farm workers, or
- At least 51% of the clientele must be low-moderate income persons; or
- The activity must be of such a nature and in such a location that it may reasonably be concluded that the clientele will be low-moderate income persons; or
- The activity must serve to remove material or architectural barriers to the mobility or accessibility of elderly persons or of severely disabled adults; or
- The activity must take the form of micro enterprise assistance carried out in accordance with 24 CFR 570.201 (o); or
- The activity must provide job training and placement and/or other employment support services, including, but limited to peer support programs, counseling, childcare and other similar services, in which the percentage of low-moderate income persons assisted is less than 51%. This situation qualifies under the limited clientele objective only in the following circumstance:

“In such cases where such training or provision of supportive services assist business (es), and the only use of CDBG assistance received by the business is to provide the job training and/or supportive services; and the proportion of the total cost of the services borne by CDBG funds is no greater than the proportion of the number of persons benefiting from the services who are low-or moderate income”.

**Housing** – The activity must result in housing that will be occupied by low-moderate income persons upon completion. The housing can be either owner- or renter occupied and can be either one family or multi-unit structures. Rental housing must be occupied at affordable rents.

**Jobs** – “Special economic development” activities may meet the low-moderate Income Benefit national objective only in the following three ways:

- Be located in a predominately low-moderate neighborhood and serve the low-moderate income residents (e.g., a grocery store serving a low-moderate income neighborhood qualifies as area benefit); or
- Involve the employment of persons, the majority of who are low-moderate income persons (e.g., a retail clothing store which creates or maintains jobs principally for low-moderate income persons).

**NOTE:** Passaic County is part of the **Bergen-Passaic, NJ HUD Metro FMR Area**, so all information presented here applies to all of the **Bergen-Passaic, NJ HUD Metro FMR Area**. The **Bergen-Passaic, NJ HUD Metro FMR Area** contains the following areas: Bergen County, NJ; and Passaic County, NJ.

HUD generally uses the Office of Management and Budget (OMB) area definitions in the calculation of income limit program parameters. However, to ensure that program parameters do not vary significantly due to area definition changes, HUD has used custom geographic definitions for the **Bergen-Passaic, NJ HUD Metro FMR Area**.

\* The FY 2014 Consolidated Appropriations Act changed the definition of extremely low-income to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as [established by the Department of Health and Human Services \(HHS\)](#), provided that this amount is not greater than the Section 8 50% very low-income limit. Consequently, the extremely low income limits may equal the very low (50%) income limits. Income Limit areas are based on FY 2019 Fair Market Rent (FMR) areas. For information on FMRs, please see our associated FY 2019 US HUD website:

## EXHIBIT “D” - RECORDKEEPING RESPONSIBILITIES

**Successful applicants will be required to sign a contract with the County, which will state all the requirements to be placed on the applicant. In general, the following will apply to all applicants:**

  - b. If your agency already conducts audits of its other funding sources but has neither received nor included CDBG in the past, the scope of the audit would be modified to incorporate CDBG audit requirements. As outlined in the Office of Management and Budget (OMB) memorandum, M-20-21, existing reporting requirements are anticipated to meet the requirements of section 15011, but the content and format for this reporting is still under development and will need to be reviewed against current program practices. This report will be due by January 5, 2021 and each quarter thereafter within 5 days of the end of each quarter.
6. You will be required to obtain written proof of income of each person or household which you assist, unless your clients are abused children, battered spouses, elderly persons, handicapped persons, homeless persons, illiterate persons, or migrant farm workers.

9. In the event that US HUD should determine that CDBG-CV1 funds were improperly spent, and that money should be reimbursed to the U.S. Treasury, your organization will be responsible for this reimbursement.
