

Invitation to Apply for a Fiscal Year 2020 Passaic County Community Development Block Grant as funded by the US Department of Housing and Urban Development

December 13, 2019

You are invited to submit an application to the County of Passaic for Community Development Block Grant (CDBG) funding for FY 2020. The application is due by **March 12, 2020, 4:00 PM** to the Passaic County Division of Economic Development, Department of Planning and Economic Development to be eligible for funding consideration. There can be no exceptions to this deadline.

The County anticipates receiving approximately **\$800,000** from the Fiscal Year 2020 US Department of Housing and Urban Development (HUD) CDBG Program. Of the total grant award, approximately **\$700,000** will be allocated to projects in the twelve (12) participating communities of the County (Bloomingdale, Haledon, Hawthorne, Little Falls, North Haledon, Pompton Lakes, Prospect Park, Ringwood, Totowa, Wanaque, West Milford and Woodland Park) and to eligible non-profit agencies. The remaining allocation will be utilized for administration expenses. No more than 15% of the County grant may be used for public service activities. In making decisions for funding this year, Passaic County will consider factors such as the eligibility and national objective to assist low- and moderate-income individuals for each project, whether the project provides substantial community benefits and the **readiness for implementation of the project**. Matching funds are not required but the grant recipient must be willing to pay for design/engineering fees, if applicable.

Enclosed is an application and general list of eligible activities. If you have any questions about eligibility for your activity, please contact Deborah Hoffman at 973-569-4720. Please note the application requires an approval by the governing body (municipal or non-profit) and must be signed by an authorized representative of the applicant.

A public hearing and workshop to discuss the grant and the FY 2020 Community Development Block Grant application will be held on Friday, February 7, 2020, 1:00 PM – 2:30 PM, 930 Riverview Drive, Totowa, NJ, 07512, Suite 250. During this presentation, important information on the types of projects that are appropriate and eligible to receive CDBG funding will be reviewed along with US HUD rules and regulations governing the program. **Attendance by your municipal engineer is strongly recommended.**

Projects must serve lower income residents. A map depicting the low-moderate income areas in each of the 12 participating municipalities is provided. If projects submitted become ineligible when new low-moderate income information is released, communities will have an opportunity to revise their submissions.

If more than one project is proposed, a separate application must be utilized for each project. If more than one application is submitted, projects must be **numbered by priority** by the municipality at the time of submission.

Please note that Federal wage rates (Davis-Bacon Act) apply to all construction or renovation projects under this program and that **the municipality is responsible for all engineering and traffic control costs.** Renovation or construction of buildings used for the general conduct of government, (borough halls or township buildings or garages), is **NOT** an eligible activity, **except for handicap accessibility** projects in compliance with ADA requirements.

The application must include a complete project description, with a current cost estimate prepared by an individual knowledgeable in the preparation of such estimates, using federal construction requirements, including, but not limited to, Federal wage rates.

Please note that USHUD now requires that all entities receiving funding provide their DUNS number and are registered in the SAM.gov system to ensure that you can receive federal funding. Your DUNS number is requested on the application. You should provide proof of SAM.gov registration, i.e. CAGE number with your application.

Non-profit applicants must also provide a copy of their Business Registration Certificate (BRC) and an executed W-9 form.

Passaic County takes fair housing responsibilities very seriously. All participating municipalities must adopt the attached draft municipal resolution that reinforces your municipality's commitment to federal and state fair housing regulations and post the Fair Housing Notice (note attached) on your website.

Thank you for considering the submission of an application to the Passaic County Community Development Block Grant Program. We look forward to working with you to ensure a successful year of grant applications. Please do not hesitate to contact our office with any questions concerning the enclosed grant application.

Sincerely,

EXHIBIT "A" - CDBG BASIC ELIGIBLE ACTIVITIES

The following activities may be funded by the CDBG Program, so long as they meet one or more of the National Objectives.

1. Acquisition of real property by purchase, long-term lease (15+ years), donation, or otherwise, of real property for any public purpose, subject to limitations.
2. Disposition of real property acquired with CDBG funds through a lease or donation, or otherwise; or its retention for public purposes.
3. Acquisition, construction, reconstruction, rehabilitation, or installation of public facilities and improvements, except buildings for general conduct of government. Eligible facilities include those serving persons having special needs such as homeless shelters, convalescent homes, hospitals, nursing homes, battered spouse shelters; half-way houses for runaway children, drug offenders or parolees, group homes for mentally retarded persons; and temporary housing for disaster victims.

5. Provision of public services (including labor, supplies and materials) such as those concerned with child care, health care, education, job training, public safety, fair housing counseling, recreation, senior citizens, homeless persons, drug abuse counseling and treatment, and energy conservation counseling and testing. The services must meet each of the following criteria:
 - A service must either be new or be a quantifiable increase in the level of a service above that which has been provided with state or local funds in the previous twelve calendar months; and
 - The amount obligated for public services shall not exceed 15% of the annual grant, plus 15% of the program income received from the previous year.

12. Provision of assistance to private for-profit business where appropriate to carry out an economic development project. Any project funded must be able to document the creation or retention of a certain number of jobs, depending on the type of project proposed.

EXHIBIT “B” - National Objective Qualifiers

In order to be considered as benefiting a low or moderate-income person, an activity must fall into one of the categories below.

Area Benefit: Passaic County is an “exception level” community. Census areas with 42.76% low- moderate income or above qualify for funding. (The exception level may be adjusted by HUD in 2020 – we will notify all municipalities if that does occur). However, smaller areas may qualify based on an income survey. When surveys are needed, at least 51% of the residents within the targeted activity area must be low-moderate income persons. The activity may also be available to all persons in the area regardless of income.

Limited Clientele: To qualify under this subcategory, a limited clientele activity must fulfill one of the following tests.

- Clientele must be one of the following groups:
 - Abused children
 - Elderly persons
 - Battered spouses
 - Homeless persons
 - Adults meeting the US Census Bureau’s definition of severely disabled persons
 - Illiterate living with AIDS
 - Migrant farm workers, or
- At least 51% of the clientele must be low-moderate income persons; or
- The activity must be of such a nature and in such a location that it may reasonably be concluded that the clientele will be low-moderate income persons; or
- The activity must serve to remove material or architectural barriers to the mobility or accessibility of elderly persons or of severely disabled adults; or
- The activity must take the form of micro enterprise assistance carried out in accordance with 24 CFR 570.201 (o); or
- The activity must provide job training and placement and/or other employment support services, including, but limited to peer support programs, counseling, childcare and other similar services, in which the percentage of low-moderate income persons assisted is less than 51%. This situation qualifies under the limited clientele objective only in the following circumstance:

“In such cases where such training or provision of supportive services assist business (es), and the only use of CDBG assistance received by the business is to provide the job training and/or supportive services; and the proportion of the total cost of the services borne by CDBG funds is no greater than the proportion of the number of persons benefiting from the services who are low-or moderate income”.

Housing – The activity must result in housing that will be occupied by low-moderate income persons upon completion. The housing can be either owner- or renter occupied and can be either one family or multi-unit structures. Rental housing must be occupied at affordable rents.

Jobs – “Special economic development” activities may meet the low-moderate Income Benefit national objective only in the following three ways:

- Be located in a predominately low-moderate neighborhood and serve the low-moderate income residents (e.g., a grocery store serving a low-moderate income neighborhood qualifies as area benefit); or
- Involve the employment of persons, the majority of who are low-moderate income persons (e.g., a retail clothing store which creates or maintains jobs principally for low-moderate income persons).

NOTE: Passaic County is part of the **Bergen-Passaic, NJ HUD Metro FMR Area**, so all information presented here applies to all of the **Bergen-Passaic, NJ HUD Metro FMR Area**. The **Bergen-Passaic, NJ HUD Metro FMR Area** contains the following areas: Bergen County, NJ; and Passaic County, NJ.

HUD generally uses the Office of Management and Budget (OMB) area definitions in the calculation of income limit program parameters. However, to ensure that program parameters do not vary significantly due to area definition changes, HUD has used custom geographic definitions for the **Bergen-Passaic, NJ HUD Metro FMR Area**.

* The FY 2014 Consolidated Appropriations Act changed the definition of extremely low-income to be the greater of 30/50ths (60 percent) of the Section 8 very low-income limit or the poverty guideline as established by the Department of Health and Human Services (HHS), provided that this amount is not greater than the Section 8 50% very low-income limit. Consequently, the extremely low income limits may equal the very low (50%) income limits. Income Limit areas are based on FY 2019 Fair Market Rent (FMR) areas. For information on FMRs, please see our associated FY 2019 US HUD website: <https://www.huduser.gov/portal/datasets/fmr.html#2019>

EXHIBIT "D" - RECORDKEEPING RESPONSIBILITIES

Fair Housing – It’s Your Right!

Fair housing refers to free and equal access to residential housing – i.e. housing choice. According to the federal Fair Housing Act, it is illegal to discriminate on the basis of race, color, religion, sex, ancestry, national origin, disability, or familial status in the sale, rental, and/or financing of dwellings. Passaic County complies with the federal Fair Housing Act and the Law Against Discrimination. The County is committed to promoting fair housing choice for all persons.

Fair Housing FAQ

What kind of housing is covered by the Fair Housing Act?

Most housing is covered by the Fair Housing Act. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single family housing sold or rented without the use of a broker, and housing operated by organizations and private clubs that limit occupancy to members.

What are some examples of housing discrimination?

- Refusing to rent or sell housing
- Falsely denying that housing is available for inspection, sale, or rental

- Refuse to provide information regarding loans
- Refusing to rent to a person who has a service animal because of a “no pets” rule

Who can I contact if I believe I've been discriminated against?

Complaints related to discrimination on the basis of race, color, religion, sex, national origin, disability, or familial status may also be filed directly with the U.S. Department of Housing and Urban Development (HUD).

What information do I need to provide to file a fair housing complaint?

If you suspect that you have been discriminated against with regard to housing, file a complaint as soon as possible because there are time limits on when a complaint can be filed with HUD after an alleged violation.

Try to include the following information, if possible, when filing a complaint:

- Your name and address;
- The name and address of the person(s) or organization your complaint is against;
- The address or other identifying information of the housing or program your complaint is being filed against;
- A brief description of what happened that caused you to file the complaint; and
- The date(s) of the alleged discrimination.
