- VII. New Business
 - CIACC Goals for the upcoming year. Discussion on what the council would like to achieve in 2022
 - Increase of children/youth involved in our system going to Emergency Room for services
- VIII. Announcements

Mission Statement

The CIACC serves as an advisory board for the Passaic County Department of Human Services, the Mental Health Board, and Department of Children & Families. The CIACC strives to ensure optimal services for children and families within a system that promotes individual planning, designed by the needs of each and every family. The CIACC, through coordination of system partners, identifies service and resource gaps and priorities for resource development.
