A Legacy of Caring since 1929

Update, August 26, 2022

Please Note: This Update is posted on the Passaic County website and distributed through the Constant Contact email group for families who have elected to provide their email address and is distributed to all staff. Our Social Workers and Therapeutic Recreation staff distribute the Update to residents who wish to receive it.

On August 26, 2022, one resident who lives on resident unit 2-200 tested positive. The resident's roommate and staff who had close contact with our resident are in the process of being tested and will be retested following CDC requirements. Notification was made to visitors of our resident.

The current outbreak began on April 18, 2022. Forty-six staff and twenty-five residents have tested positive. Five of the staff are not vaccinated and have approved exemptions. Thirty-seven staff received first boosters; seven received a second booster. Twenty-two residents received a first booster; twelve received a second booster. Three staff are currently out of work. Two residents who have tested positive are residing on 2-400, "C" section. Visitors to this unit must wear personal protective equipment which is provided on the unit.

COVID-19 vaccines are offered to residents and staff in accordance with current CDC recommendations. Please call Patrick Kuiken, RN, Infection Preventionist at 973-585-2181 for additional information. Antigen tests are available at no cost for visitors who wish to be tested. Please inform the Security staff when visiting if you wish to be tested.

On September 11, 2022, Patriot Day and Grandparents Day, the North Jersey Concert Band will provide a concert for our residents beginning at 2 pm. The concert will held outdoors. Visitors may attend with our residents. Visitors who wish to park in the front visitors parking lot should arrive by 1:30 pm.
