

Preakness Healthcare Center

A Legacy of Caring since 1929

Update, January 12, 2023

Please Note: This Update is posted on the Passaic County website and distributed through the Constant Contact email group for families who have elected to provide their email address and is distributed to all staff. Our Social Workers, Therapeutic Recreation staff and Unit Clerks distribute the Update to residents who wish to receive it.

Since the last Update, three staff tested positive: two Security guards and one C NA who works on resident unit 2-200. Residents and staff who had close contact with the staff who tested positive are tested in accordance with regulatory requirements. Residents who tested positive are residing on unit 2-400 "C" section until transmission-based precautions are discontinued. We currently have one resident on unit 2-400 "C".

The NJ Department of Health continues to urge residents and staff to become vaccinated as the safest and most effective protection against COVID-19 and its variants. Residents or staff who wish to receive a vaccine may contact Patrick Kuiken, RN, LTC-CIP, Infection Preventionist at 973-585-2181.
