

Preakness Healthcare Center

A Legacy of Caring since 1929

Update, June 16, 2023

Please Note: This Update is posted on the Passaic County website and distributed through the Constant Contact email group for families who have elected to provide their email address and is distributed to all staff. Our Social Workers, Therapeutic Recreation staff and Unit Clerks distribute the Update to residents who wish to receive it.

On June 16, 2023, during the third cycle of testing of residents on resident unit 3-400 who were exposed to the C NA who recently tested positive, two residents tested positive. We have expanded contact tracing to test all residents of 3-400 and all staff who worked on resident unit 3-400. Residents and staff on 3-400 will be retested in accordance with regulatory requirements. We currently have six residents on transmission-based precautions who are residing on resident unit 2-300, one resident who is in the hospital and one staff who is out of work on transmission-based precautions.

On June 12, 2023, Governor Murphy issued Executive Order #332 which rescinds the requirements for healthcare workers to be vaccinated, including with a booster, against COVID-19. This is consistent with the June 5, 2023 Final rule by the Centers for Medicare and Medicaid Services to rescind the CMS requirement of Medicare and Medicaid certified providers and suppliers' staff to be vaccinated. Despite the rescinding of the mandate, residents and staff are urged to become vaccinated as the safest and most effective protection against COVID-19 and its variants. Residents or staff who wish to receive a vaccine may contact Patrick Kuiken, RN, LTC-CIP, Infection Preventionist at 973-585-2181.
