Update, June 30, 2023

Please Note: This Update is posted on the Passaic County website and distributed through the Constant Contact email group for families who have elected to provide their email address and is distributed to all staff. Our Social Workers, Therapeutic Recreation staff and Unit Clerks distribute the Update to residents who wish to receive it.

Since the last Update, we are sharing with you ---

- Our thanks to our staff who worked on Father's Day to make the day special for our resident fathers and to our staff from many departments who assisted Dietary staff with the luncheon.
- Congratulations to resident Eleanor S. on the celebration of her 103rd birthday!!
- Congratulations to Kareth Foster on her achievement of licensure as an LPN!
- That we currently do not have any residents or staff on transmission-based precautions for COVID-19.

As of this date, we are awaiting regulatory inspection/approval of the fire alarm system project to enable our residents to return to their rooms on 2-400 "B" and 3-400 "B".
