

Preakness Healthcare Center

A Legacy of Caring since 1929

Update, July 11, 2023

Please Note: This Update is posted on the Passaic County website and distributed through the Constant Contact email group for families who have elected to provide their email address and is distributed to all staff. Our Social Workers, Therapeutic Recreation staff and Unit Clerks distribute the Update to residents who wish to receive it.

On July 7, 2023, during the inspection of the fire alarm project, we received approval for residents to return to their rooms on the sections of 2-400 and 3-400 that were vacant during the project. On July 10, 2023, our residents returned to the respiratory section on 2-400. On July 12, 2023, we will begin the transitions back to the vacant rooms on 3-400. We appreciate everyone's patience during the past several months!

Since the last Update, we are sharing with you ---
