

# Passaic County Film Education Grant- 2024

## Application Guidelines

The Passaic County Board of County Commissioners supports film education in our high schools and universities. This year, the Passaic County Board County Commissioners, the members of the Passaic County Film Commission, and the Passaic County Community College Foundation are sponsoring a grant in the form of film/video/audio equipment to support film education in our high schools.

The Passaic County Film Education grant can provide up to \$1,000 for the purchase of film, video, or audio equipment to high schools to be utilized in the production of student films and for educational purposes.

One grant will be awarded this year at the Passaic County Film Festival on April 27, 2024, 11:30 am, PCCC Public Safety Academy, 300 Oldham Road, Wayne, NJ.

Please forward your grant application via email by March 8, 2024 to: [deborahh@passaiccountynj.org](mailto:deborahh@passaiccountynj.org).

If you have any questions concerning this grant application, please contact: Deborah Hoffman, Director, Passaic County Division of Economic Development, 973-569-4720 or [deborahh@passaiccountynj.org](mailto:deborahh@passaiccountynj.org).

Please provide the information below on your High School letterhead

Teacher Name ❖ School Name ❖ School Address ❖ Telephone ❖ Email

1. Briefly describe why your high school requires financial assistance to purchase film/video/audio equipment.
2. What equipment are you requesting? Any equipment granted must be available and in stock at Unique Photo. Please visit: [www.uniquephoto.com](http://www.uniquephoto.com) to select equipment. Please provide specific item name and product number(s).
3. What will this Grant Award mean for the future of your high school film education program?
4. Have your students entered the Passaic County Film Festival or attended our Film Workshop in the past?
