**COUNTY OF PASSAIC
AMENDED CITIZEN PARTICIPATION PLAN
RELATING TO THE ADMINISTRATION OF THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM OF
THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)**

A. Introduction

1. Purpose

Pursuant to the citizen participation requirements of 24 CFR Section 91.105 and 24 CFR Part 5, the County of Passaic (referred to as the “County”) sets forth the following Citizen Participation Plan (the “Plan”) as it relates to the administration of the Community Development Block Grant Program (CDBG) funded by the U.S. Department of Housing and Urban Development (HUD). The Plan presents the County’s plan for providing for and encouraging all citizens to participate in the development, revision, amendment, adoption, and implementation of:

1. The Citizen Participation Plan
2. The Analysis of Impediments to Fair Housing (AI)
3. The Consolidated Plan (CP)
4. The Annual Action Plan (AAP)
5. The Consolidated Annual Performance and Evaluation Report (CAPER), and
6. The Section 108 Loan Guarantee Program

a. Lead Agency

The County Department of Planning and Economic Development is the lead agency responsible for the administration of the Community Development Block Grant Program (CDBG).

b. Effective Date

Subsequent to approval of this Citizen Participation Plan by Passaic County Board of Commissioners, the Plan shall be effective until it is amended or otherwise replaced.

2. Encouragement of Citizen Participation

a. General

The County provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Analysis of Impediments to Fair Housing, the Consolidated Plan, the Annual Action Plan, and the CAPER. The County encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate- income neighborhoods. With respect to the public participation initiatives included in this Plan, the County will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

b. Non-English Speakers

The County has determined that, based on 2015 American Community Survey data, the latest available source of information, 7.6 percent of its residents (age 5 and older) speak English less than very well. Of these, a total of 3.4 percent of County residents are native Spanish-speakers who speak English less than very well. Italian speakers also exceeded the 1,000 persons threshold with just

under 1% of the County population. Unlike Spanish-speaking residents, few of the social services programs of the county indicated that they had frequent contact with Italian-only speaking persons.

To encourage these residents to participate in the development of the Analysis of Impediments to Fair Housing (AI) and the Consolidated Plan (CP), the County will undertake the following initiatives in addition to publishing advertisements in the *Herald News* and the *Record* for these activities:

- A notice will be published, in Spanish, in the Spanish publication *El Especialito*
- At least one stakeholder interview or focus group session will be scheduled during the stakeholder consultation processes for both the AI and CP and will focus on persons with limited English proficiency, and
- The County will provide a Spanish version of meeting agendas, handouts and surveys at meetings and stakeholder interviews conducted for each planning process. The County will continue to include the following language in the advertisements related to the development of these documents:
 - *La información será proporcionada en español a petición.*

c. Persons with Disabilities

To encourage the participation of persons with disabilities, the County will include the following language in all of its public meeting notices published in the *Herald News* and the *Record*:

The County of Passaic will make reasonable accommodations and services necessary for sensory-impaired and disabled citizens at the public meeting. Additionally, translation services may be offered upon request and availability. Persons requiring such accommodations/services should contact the County at least three working days in advance of the meeting. Persons requiring information in alternative formats should contact the Department at (973) 569-4720 (TDD Users: 7-1-1 NJ Relay Center).

The County will conduct all public meetings in locations that are handicapped-accessible, when available.

If requested, the County will mail copies of public meeting notices to persons who are homebound and request such accommodation no less than seven days prior to the public meeting.

d. Low- and Moderate-Income Persons

The County will conduct at least one public meeting during the development of Analysis of Impediments to Fair Housing, the Consolidated Plan, and the Annual Action Plan in a municipality that contains at least 42.76% low- and moderate-income residents, or the most recent exception limit for Passaic County as set by HUD for determining if an area is considered low and moderate income.

e. Organizations and Agencies

The County encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, broadband internet service providers, organizations engaged in narrowing the digital divide, agencies whose primary responsibilities include the management of flood prone areas, public land or water resources, and emergency management agencies, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings.

f. Local Public Housing Agency

The County encourages, in consultation with the Passaic County Housing Agency (PHA), the participation of residents of Section 8 Housing Choice Vouchers issued by the PHA, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The County will provide information to the Executive Director of PHA about the Assessment of Fair Housing, its affirmatively furthering fair housing strategy, and Consolidated Plan activities related to housing developments and communities so the PHA can make this information available at the annual public hearings required for its Public Housing Agency Plan.

The County encourages participation by PHA stakeholders. This will be carried out by providing to the PHA information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan. To the greatest extent possible, the County will collaborate with the PHA to prepare a joint AI.

g. Public Notices

Public review/comment periods and public hearings held in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan shall be advertised in the *Record* and the *Herald News* no less than seven days before the public review and comment period commences or the public hearing is held.

h. Public Hearings

All public hearings will be scheduled at times and locations that are convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and non-English Spanish speakers in accordance with this Plan. For any public hearings described in this Citizen Participation Plan, the County, at its discretion, may choose to host a hybrid hearing. A physical location for the public hearing will be provided, but online participation will be available for those wishing to attend virtually.

i. Technical Assistance

CDBG staff are available to assist organizations and other eligible individuals that are interested in submitting a proposal to obtain funding through the CDBG program. The Department of Planning and Economic Development will host an annual workshop during the application submission window to provide guidance on submitting an application and to answer questions related to the CDBG program and eligible activities. All potential applicants are strongly encouraged to contact the County Department of Planning and Economic Development for technical assistance before initiating a funding request application.

j. Online Access

The County will post draft copies and final copies of all documents covered by this Plan on its website accessible at <https://www.passaiccountynj.org>

k. Other Engagement Techniques

The Plan may be amended as the County continues to gain access to technology that improves the avenues of participation by its residents.

B. In the Event of an Emergency

In the event of a local, state or federally declared disaster or emergency where public places may be closed to the public or in-person participation may not be feasible or large gatherings may be considered a public health risk, the county may opt to conduct public hearings and meetings exclusively via virtual methods (conference call or live web-streaming) with the ability to ask questions and provide comment in real time. Public comment periods during declared emergencies shall be a minimum of five calendar days, or some length as described by HUD.

Accommodations will be made for persons with disabilities and non-English-speaking persons upon request, such as sign language or language interpretation services. Documents for public review will be shared via the county's website. Copies of the document may be mailed or e-mailed upon request.

During a declared emergency, the County may schedule its two required public hearings at times that can be accommodated during an emergency. This may include scheduling both hearings prior to the approval of the Consolidated Plan, or one during the development of the Consolidated Plan and one before the submission of the CAPER for the same program year.

e. Passaic County Board of Commissioners Action

Following the public hearing, the CP will be presented to the Passaic County Board of Commissioners for consideration and formal action.

f. Submission to HUD
