

Passaic County Board of County Commissioners Division of Home Energy & Weatherization

**Lead-Based Paint is the most common cause of
LEAD POISONING. We can Help!**

**If you live in a home built before 1978, you may
qualify for a FREE Home Inspection and FREE
Lead Remediation**

The Passaic County **Lead Assistance Program** offers FREE Lead Inspection and FREE Lead Remediation and Abatement Services, to reduce the risk of lead poisoning from lead paint.

Lead-Safe Services include: Repairing, Repainting or Replacing Windows, Doors, Walls, Ceilings and other lead-containing surfaces.

Applicants must be residents of Passaic County, meet income guidelines, and live in a 1 - 4 unit property built before 1978. You may qualify whether you own or rent.
