**PASSAIC COUNTY EXECUTIVE SUPERINTENDENT
OF SCHOOLS OFFICE**

The Executive County Superintendent of Schools is the representative of the Commissioner of Education in Passaic County and is responsible for working with local school districts, teachers, parents, and students in accomplishing or maintaining compliance with state and federal regulations.

According to Title 18A:7-8 General Powers and Duties, each executive county superintendent shall:

- a. Visit and examine from time to time all of the schools under his/her general supervision and exercise general supervision over them in accordance with the rules prescribed from time to time by the state board;
- b. Keep himself/herself informed as to the management, methods of instruction and discipline and the courses of study and textbooks in use, the condition of the school libraries, and the condition of the real and personal property, particularly with respect to the standards for school buildings, and make recommendations in connection therewith;
- c. Advise with the counsel of the boards of education of the local districts under his/her general supervision and of any other district of the county when so requested, in relation to the performance of their duties;
- d. Promote the consolidation of administrative, educational, and operational services within and among the school districts in the county;
- e. Review and approve the employment contracts of certain district administrators according to standards adopted by the Commissioner;
- f. Implement all state regulations for district accountability, efficiency, and budgeting procedures as prescribed by Title 6A, Chapter 23A of the New Jersey Administrative Code (N.J.A.C.);
- g. Perform such other duties as shall be prescribed by law.

In light of this, the following are job target areas: oversight, technical assistance, approvals, and/or support are provided in the areas of comprehensive planning for improving student outcomes; safe instructional facilities; safe and efficient transportation; teacher certification; special education; program and fiscal accountability through implementation of a monitoring system; responsible fiscal practices; administrative and liaison services for mandated programs, and program development and implementation.

Bernadette Orsita

2024-2025

Passaic County

Teacher of the Year

Spanish Teacher

Manchester Regional High School

Bernadette Orsita graduated from William Paterson University summa cum laude with a bachelor's degree in Spanish. Since 2008, she has taught Spanish 1, Spanish 2, Spanish 3, Native Spanish, and Heritage and Culture at Manchester Regional High School. Bernadette has a unique ability to involve the community in her lessons and bring that into the classroom to engage her students on a deeper level. She prides herself on creating, nurturing, and maintaining long-lasting relationships with her students. Bernadette's students gain a profound sense of pride in themselves and their finished products. She truly believes that education is so much more than the content she teaches. So, she has spearheaded many wonderful programs at the high school, such as the Make a Difference Club, Camp Manchester Regional High School, Camp Students Overcoming Substance Abuse (SOSA), the high school fashion show that promotes inclusivity of all people with all abilities, the Hispanic Fair, and the Multicultural Fair. The Multicultural Fair is a unique event that leverages and reflects all cultures that encompass the student body and staff at the high school. Bernadette plans it every year to include dance and music performances, deep and meaningful educational dives into the cultures of dozens of nations around the globe, and an incredible smorgasbord of international culinary delights. Her strong relationships in her school have made it possible for Bernadette to recruit over thirty staff members to make this event the success it is. She is a life-long, autonomous learner who engages in consistent daily reflection and professional learning and requires the same of her students.

“My personal feelings and beliefs about teaching are that every child should be able to come to school and be treated with respect. My goal each morning is to make sure my students know that I am glad to see them and that their well-being is important to me.”

- Bernadette Orsita
